SUBJECT: POLAND: NO OBJECTIONS TO U.S. CRITERIA-BASED
PROPOSAL FOR NUCLEAR SUPPLIERS GROUP

REF: A. STATE 126581
[1](#)B. WARSAW 01288

(SBU) Szymon Bochenski, responsible for nuclear proliferation issues at the MFA's Security Policy Department, told us December 8 that the Foreign Affairs Ministry had no objections to the most recent U.S. criteria-based proposal for the Nuclear Suppliers Group. Bochenski said he will forward the text this week to the Ministry of Economy for its final approval. He does not foresee any objections and will notify us when the text is approved.
